WASHINGTON, DC

ORDER NO. 5358

IN THE MATTER OF:

LEONARD HARRY YOUNG, Trading as)	Case No. MP-98-43
YOUNG STAR TOURS, Revocation of)	
Certificate of Insurance and)	
Investigation of Suspension and)	
Revocation of Certificate No. 368)	

On June 22, 1998, the Commission received a replacement certificate of insurance from respondent's insurance company declaring that the policies previously issued in respondent's name have been reissued in the name of Dorise Young, trading as Young Star Tours, 7003 Tarquin Avenue, Temple Hills, MD 20748. The trade name and address match those of respondent.

Article XI, Section 7(f), of the Compact directs each person holding a certificate of authority to comply with the Commission's insurance regulations. Commission Regulation No. 58-01 requires each carrier to secure the public by means of an insurance policy or policies. The replacement certificate raises the issue of whether respondent still has a policy in his name.

Under Regulation No. 58-09, the Commission may, upon thirty (30) days' notice, revoke its approval of any certificate of insurance if, in the judgment of the Commission, such security does not comply with the Commission's regulations or for any reason fails to provide satisfactory or adequate protection for the public. Accordingly, we will revoke respondent's certificate of insurance, effective thirty days after the date of this order. Respondent shall have until then to file a newly executed certificate of insurance, a current list of vehicles, and for each vehicle on the list proof of ownership or lease and proof of safety inspection. Once the list has been filed, respondent shall present his vehicles for inspection by staff.

THEREFORE, IT IS ORDERED:

1. That respondent's certificate of insurance is hereby revoked, effective thirty days after the date of this order.

2. That respondent shall have thirty days from the date of this order to: (a) file a newly executed certificate of insurance; (b) file a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (c) file evidence of ownership or a lease as required by Commission Regulation No. 62 for

each vehicle to be used in revenue operations; (d) file proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia; and (e) present said vehicles for inspection by Commission staff.

3. That unless respondent complies with the requirements of this order within the time allowed, Certificate of Authority No. 368 shall be invalid and stand automatically suspended pursuant to Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02 and shall be subject to immediate revocation without further proceedings.

4. That respondent may file within fifteen days from the date of this order a request for oral hearing, indicating the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
